#	G	MANAGEMENT-DIRECTED REASSIGNMENT
1	Q. If a position is identified to	A. If an individual declines a job offer (reassignment to the
	move and the incumbent does not	same grade) outside the commuting area they are subject to
	wish to move to the new location	termination and, while not subject to RIF procedures, may
	will a RIF be implemented?	qualify for most of the benefits available to employees
		separated by reduction in force.
		An employee has the right to compete under RIF regulations
		only if the agency does not reassign the employee to another
		position at the same grade, and the employee is subsequently
		faced with involuntary separation or downgrading resulting
		from a reason such as reorganization.
2	Q. Can a person not currently	A. Normally, employees are authorized one PCS move during
	eligible for LQA get it when they	a 12-month period. However, Commanders can authorize a
	are 'management directed to	PCS when an employee PCS'd within the last year for
	move" as certain regulations	Command/mission related reasons i.e., for the efficiency of the
	would suggest?	government.
